AGG - CENTRAL CANADA - MTD

Commercial Price & Volume Summary:

Volume

- Internal: +1%, INN +11% (11kt), AMRZ RMX -24% (-10kt)
- External: +10%, Civil +26% (70kt), Brokers -19% (52kt), Ext Asphalt +39% (46kt)

ASP

- +4.8%, continued regional impact on ASP as WGTA remains softer than PY while Simcoe and EGTA drive volume

PPI

- +5.2%, aligned with forecast

Customers / Project Notes:

- GIP +30% on the month largely driven from the Asphalt segment
- Civil segment performs strongly in May (+26%, Gregor, Metrics Contracting, Con Drain)
- Ext RMX recovers to flat still awaiting some plants to open

Overall Story for the Month:

The GTA Aggregate market delivered strong results in April, with +5.3% vs prior year on price and a revenue increase of +6% despite flat volumes. The Asphalt segment did not have a "normal" kick off in the month of April while the RMX and speciality segments showed increased activity into Q2.

Commercial Price & Volume Summary:

Volume

- Internal: +1%, INN +11% (11kt), AMRZ RMX -24% (-10kt)
- External: +10%, Civil +26% (70kt), Brokers -19% (52kt), Ext Asphalt +39% (46kt)

ASP

- +4.8%, continued regional impact on ASP as WGTA remains softer than PY while Simcoe and EGTA drive volume

PPI

- +5.2%, aligned with forecast

Customers / Project Notes:

- GIP +30% on the month largely driven from the Asphalt segment
- Civil segment performs strongly in May (+26%, Gregor, Metrics Contracting, Con Drain)
- Ext RMX recovers to flat still awaiting some plants to open

Overall Story for the Month:

The GTA Aggregate market delivered strong results in April, with +5.3% vs prior year on price and a revenue increase of +6% despite flat volumes. The Asphalt segment did not have a "normal" kick off in the month of April while the RMX and specialty segments showed increased activity into Q2.

AGG - Southwest - MTD

Commercial Price & Volume Summary:

Volume

- Internal: +1%, INN +11% (11kt), AMRZ RMX -24% (-10kt)
- External: +10%, Civil +26% (70kt), Brokers -19% (52kt), Ext Asphalt +39% (46kt)

ASP

- +4.8%, continued regional impact on ASP as WGTA remains softer than PY while Simcoe and EGTA drive volume

PPI

- +5.2%, aligned with forecast

Customers / Project Notes:

- GIP +30% on the month largely driven from the Asphalt segment
- Civil segment performs strongly in May (+26%, Gregor, Metrics Contracting, Con Drain)
- Ext RMX recovers to flat still awaiting some plants to open

Overall Story for the Month:

The GTA Aggregate market delivered strong results in April, with +5.3% vs prior year on price and a revenue increase of +6% despite flat volumes. The Asphalt segment did not have a "normal" kick off in the month of April while the RMX and speciality segments showed increased activity into Q2.

PPI

- +5.2%, aligned with forecast

Customers / Project Notes:

- GIP +30% on the month largely driven from the Asphalt segment
- Civil segment performs strongly in May (+26%, Gregor, Metrics Contracting, Con Drain)
- Ext RMX recovers to flat still awaiting some plants to open

Overall Story for the Month:

The GTA Aggregate market delivered strong results in April, with +5.3% vs prior year on price and a revenue increase of +6% despite flat volumes. The Asphalt segment did not have a "normal" kick off in the month of April while the RMX and speciality segments showed increased activity into Q2.

RMX - INNOCON - Commercial MTD

Overall Story for the Month:

- Regina increase offset slower Saskatoon month

Segments:

- Housing continues to drive business in Saskatoon but slower month on flatwork side
- Regina up due to projects (K+S and Bell AI Data Center)

Customer/Product/Project:

- Residential:
 - Custom up 129m3 (19%)
 - Rempel up 132m3 (16%)
 - BL&Sons (Reg) down 86m3 (-13%)
- Projects:
 - Saskatoon
 - Dream 459m3 (condos)
 - Regina:
 - SB Canada 1314m3
 - K+S up 795m3

Pricing

- Primary outliers: Regina projects -
 - K+S 889m3 @ \$462
 - SB Canada 1314m3 @ \$317

RMX - NORTH - Commercial MTD

Overall Story for the Month:

- Regina increase offset slower Saskatoon month

Segments:

- Housing continues to drive business in Saskatoon but slower month on flatwork side
- Regina up due to projects (K+S and Bell AI Data Center)

Customer/Product/Project:

- Residential:
 - Custom up 129m3 (19%)
 - Rempel up 132m3 (16%)
 - BL&Sons (Reg) down 86m3 (-13%)
- Projects:
 - Saskatoon
 - Dream 459m3 (condos)
 - Regina:
 - SB Canada 1314m3
 - K+S up 795m3

Pricing

- Primary outliers: Regina projects -
 - K+S 889m3 @ \$462
 - SB Canada 1314m3 @ \$317
